

We hope that those who are in the habit of denouncing all proprietary medicines, merely because it is fashionable to do so, will pause and reflect ere they pass their unrighteous judgment upon this great remedy, (the Hebrew Plaster), which has done so much for the relief of suffering humanity throughout the world.

Can they be held blameless before their God, when, by their unallowable assertions, they deprive the suffering invalid from obtaining the treasure of health which results from its use?

It is incurring a fearful responsibility, and we trust ere long they will turn from their false lights, and atone for the past by pointing out to the afflicted the true source of health and life.

ASTHMA, COUGHS, CONSUMPTION, &c.

We again call the reader's attention to that celebrated and most excellent medicine, Wistar's Balsam of Wild Cherry. Its reputation is spreading wider and wider every day, and all now admit it to be the most certain curative for all pulmonary complaints ever discovered! How gratifying the thought that a remedy is at last discovered, which has proven itself a perfect master of that dire disease—CONSUMPTION!—Let the despairing cheer up and lay hold of this life giving nectar.

Boone Circuit Court.—In vacation—January 12th, 1846.

Samuel Blythe, comp't.

In Chancery.

John Ward, William Newbury, James S. Rollins, def'ts.

NOW at this day comes the complainant, by his Solicitor, and filed his bill in Chancery against the defendants, and also an affidavit of Sinclair Kirtley, stating that from the best information and belief of said affiant, John Ward and William Newbury, two of the defendants to said bill, are not residents of this State. It is, therefore, ordered by the Clerk of our said Boone Circuit Court, in vacation, that said John Ward and William Newbury be notified that a bill in Chancery has been filed by said complainant against them and James S. Rollins, in the office of said Clerk, stating that on the 7th day of April, 1841, said Ward being the owner of certain Lots in the town of Rocheport, in said county, sold the same to said Newbury, and took his three promissory bonds for the purchase money of said lots, payable thereafter, without any collateral security; that afterwards said Ward assigned one of said bonds to complainant, for a full consideration, which remains due and unpaid by said Newbury, and that afterwards James S. Rollins became the purchaser of a number of said lots, at a sale for the taxes thereon charged to be remaining due and unpaid to the State of Missouri; and said complainant, in his said bill, prays that he may by substitution of himself, for said Ward, have said lots subjected to the payment of the purchase money, and the same, or so many of them as may be necessary, sold to satisfy the same. You, the said John Ward and William Newbury, are therefore hereby notified, that unless you be and appear before our said Court, on or before the first day of the August Term, of 1846, of said Court, to be begun and held at the Court house, in Columbia, in said County and State, on the third Monday in said month and answer the complainant's bill, the same will be taken for confessed against you and the matters and things therein prayed for will be decreed against you. It is further ordered by said Clerk, that this order be published in some newspaper, printed in this State, for eight weeks successively, the last insertion to be at least four weeks before the commencement of said August Term of our said Court.
